STATION STREET PROJECT COMPLETION – RIBBON CUTTING

- WHAT:** Ribbon cutting ceremony to mark the completion of the Station Street improvement project.
- WHEN:** Tuesday, June 16, 11:30am
- WHERE:** Station Street, at the corner of Station and Center streets
- WHO:** Mayor Lisa C. Merkel and members of the Herndon Town Council welcome all citizens and business owners to the event, particularly those who are located on or adjacent to Station Street
- DETAILS:** Completion of the Station Street project marks a culmination of years of extensive planning, community input and several public hearings. The improvements include installation of curb and gutter, brick and concrete sidewalks and brick crosswalks; storm drainage improvements; water main replacement; utilities undergrounding; and preparation for streetlights to come in fall 2015. The project was funded in part through a revenue sharing grant from the Virginia Department of Transportation (VDOT).
